Welcome Team Captain!

We are delighted that you are joining us as a Team Captain for the 2011 AIDS Walk! Thank you for taking the first step towards making our event a great success. This kit is designed to provide you with the tools you need to make your team's experience fun, successful, and rewarding. This is intended to give you ideas and to guide you. Please use any or all of the following information to create your own customized plan.

As a Team Captain, you are a powerful force in the fight to end HIV/AIDS. A Team Captain's job is to motivate and encourage others to join your team and promote the Walk, whether it is with co-workers, friends or family.

This Team Captain kit will take you through the following four steps to create a successful Walk team:

Step 1

Set a Fundraising Goal

Set a dollar goal for each of your team members to raise in the fight against HIV/AIDS. Our goal is for each team member to raise \$50.

Step 2

Recruit Team Members

All you have to do is ask. Recruit your family, friends, co-workers and neighbors to join your team. When you find new team members, ask them to invite their family, friends, co-workers and neighbors. You will be surprised how quickly your team grows!

Step 3

FUNdraise!

Share our enthusiasm and excitement with your team as you strive together to reach your fundraising goal. Be sure your team members are well prepared to reach their goal (use this kit for ideas and tools) and communicate often.

Step 4

Walk, Follow-up and Celebrate!

Let's get started!

Step 1: Set a Fundraising Goal

AIDS Walk is a pledge-based event, and reaching our fundraising goal depends on participants to raise money from their friends, family and co-workers. Set the bar high!

We encourage each team member to raise at least \$50. This is an easy goal if team members follow a few of our fundraising tips in Step 3. If you really want to challenge your team, set the fundraising goal even higher. Remember, the money raised is going to fight against HIV/AIDS, and the more money you raise, the faster we help those who are affected by it.

Let your team know that there are incentives involved in raising money for the AIDS Walk. Top fundraisers will be eligible to receive a variety of prizes—and the more they raise, the better the prize!

Step 2: Recruit Team Members

Here are a few easy recruiting ideas!

- **Ask everyone you know** to be a team member, including friends, family, co-workers and neighbors. Once they have signed on, ask them to invite *their* friends, family, co-workers and neighbors. Keep building your team until the team registration deadline before the walk.
 - **Talk about the event** and your team to everyone you meet. Your enthusiasm will be contagious and generate excitement and involvement in others.
 - Ask your **supervisor to support** you or join your team, and then let everyone know and encourage others to do the same.
 - Use the **provided e-mail templates** to gain team members.
 - Distribute copies of the Sample Fundraising Letter and E-Mail for team members to copy and send. E-mail is the fast, inexpensive and easy way to get the word out and raise money!
 - Place an **ad or article in local papers or newsletters** to recruit community members. Be sure to include contact information and the Trinity Charities, Inc. website (www.trinitycharities.org).
 - Ask Trinity Charities, Inc. to help you hold a **team kick-off party**. Host a gathering or a lunch session during working hours to sign team members up. We can help you by providing promotional materials for the party.
 - Send weekly e-mail updates or make weekly phone calls with the latest Walk information, fundraising ideas, and any success stories from your team members.
- As You Build Your Team...**
- Be sure you have all of the information to register each team member
 - Encourage your team members to collect and turn in donations **BEFORE** the day of the walk to be eligible for prizes.

Step 3: FUNdraise!

Copy and share these easy fundraising ideas with your team to reach your goal. Work hard and have fun!

- **Ask, ask and ask again.** Remember you are asking for the AIDS Walk and not for yourself. The moment you limit who you ask, you limit the amount you can raise.
- Host a **fundraising party** and ask attendees to pledge their support.
- Create a **buddy system**. Ask someone who cannot walk to help you collect donations.
- Take your **pledge sheet everywhere**.
- **Suggest friendly competition** between team members. Set weekly or monthly goals to beat and recognize the team member who reaches it first.
- Ask **one person a day** to sponsor you in the Walk
- **Give something up**—movie, manicure or dinner at an expensive restaurant—and contribute what you would have spent to the Walk.
- Ask your friends to **contribute** to the Walk **instead of purchasing a gift** for your birthday, anniversary, or any occasion!
- Find out if your company has a **matching gifts** program. Matching gifts can double your team money!

Raise \$200 in a Week

- | | |
|---|--|
| Day 1: \$25
Sponsor Yourself | Day 5: \$25
Ask 5 Neighbors for \$5 |
| Day 2: \$40
Ask 2 Relatives for \$20 | Day 6: \$25
Ask Your Spouse/Partner |
| Day 3: \$45
Ask 3 Friends for \$15 | Day 7: \$200!
Celebrate Your Accomplishment! |
| Day 4: \$40
Ask 4 Co-Workers for \$10 | |

Step 4: Walk, Follow-up and Celebrate!

Once Walk day arrives, your job is almost finished! Below are steps and suggestions for completing the Walk season on a high note.

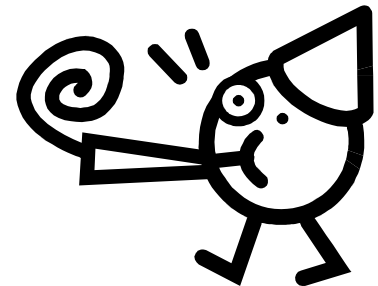

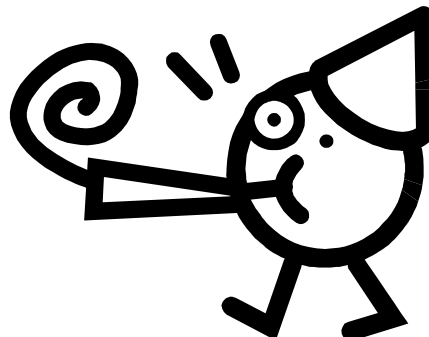

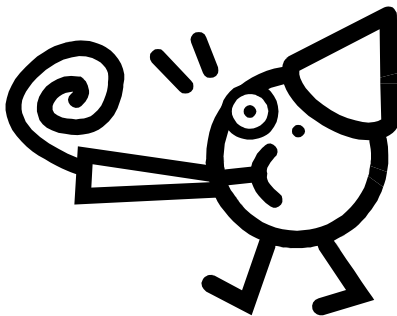

Walk Day

- Ensure your team knows where to gather at the event
- Collect and turn in team pledges when you sign in your team at the event
- Take a team photo before the walk
- Celebrate with your team as you walk because you are all making a difference!

Follow-up

- Collect and turn in outstanding pledges
- Submit a team photo to your company's newsletter or share the photo with your family and team members to highlight and enjoy your success
- Send a personal thank you note to every team member
