

Glucosamine & Chondroitin - 60 Caps

- Item#: 3227
- Manufacturer SKU: 733739032270
- **Joint Health**
- **Supports Normal Joint Function***
- **With ConcenTrace® Trace Minerals**

Glucosamine & Chondroitin are naturally occurring structural components that have recently enjoyed growing popularity. Glucosamine is an amino sugar derived from the chitin of shellfish and is used by the body to support healthy joint structures. Chondroitin complements Glucosamine and works synergistically to provide optimal nutritional support.*
